Skill-Tree | Arborist services is based in Werribee, offering our Tree Services around Victoria. Qualified arborist with over 7 years experience in the industry. We offer friendly, safe and professional service, specialising in urban tree removals, formative pruning, tree lopping, stump grinding, and garden maintenance. During my career I've been fortunate enough to experience a wide variety of challenging and even dangerous work, which has helped me develop a strong skill set in all situations and a deep understanding of tree work. Whether it's removing a large hazardous tree over fragile structures or shaping trees for aesthetics, each job to me is opportunity to showcase my skills. We offer free quotes and competitive

pricing.
