Krauss Kitchens was established in the Illawarra in 1974 by Robert Krauss and is a family run Company including his three sons Marc, Paul, Scott and their team of expert designers and trades people. Whether it's a modern design, a classic timeless look of timber or simply injecting the kitchen with new colour and products we strive to create designs that reflect personal tastes and requirements. Commercial or residential, large or small we pride ourselves on delivering the kitchen you dream of within a short install turn around time frame. We create kitchens, walk in pantry's, as well as bathroom vanities, media units and laundry cabinets for happy customers from Sydney and all down the south coast. We are leaders of innovative kitchen design and manufacturing. Our team of qualified designers and

cabinetmakers are kept up to date with the latest kitchen trends from around the

world, paired with the latest technology, machinery and the expertise to give you a first class product of the highest quality without restricting design. Our kitchens are entirely manufactured and made to order right from our premises in Unanderra NSW.
